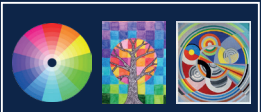
ART LEARNING JOURNEY

Y7

Project 1 – Colour

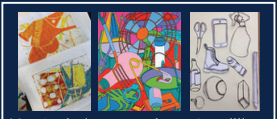


Explore colour theory and Orphism. Experiment with oil pastels and paint.

Project 2 – Still Life

Discover still life art work through Cezanne and Cubism

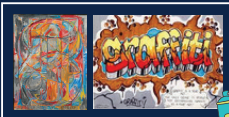
Project 3 – Objects



Use techniques such as stencilling, and collage to create artworks based on everday objects.

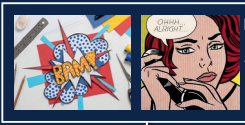
Y8

Project 1 – Typography & Graffiti



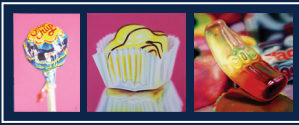
An introduction to street art and typography, looking at local graffiti artists and text based artists.

Project 2 – Pop Art



Discover Pop Art through Andy Warhol and Lichtenstein.

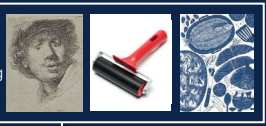
Project 3 – Sweet Project



Explore realism through Sarah Grahams paintings of sweets.

Y9

Project 1 – Print Making



Explore different print making techniques including etching and lino printing

Project 2 – Wings & Things

Looking at the work of Abby Diamond and Mark Powell to explore birds and insects.

Project 3 – Portraiture

An introduction to portraiture inspired by the works of Modigliani and Julian Opie.

Y10

Project 1 – Woodland

Project 2 – Sea Life

Students showcase their skills working through the 4 assessment objectives; Observation, Research, development and personal response. They will use a range of creative techniques to produce 2 projects exploring themes of sea life and woodlands.

Y11

Project 1 – Portraits

In January student will select a theme from the AQA exam paper. Students work throughout school term to explore and develop this theme before creating a final piece in a 10 hour exam.

The portrait project looks at artist such as Luke Dixon and Bisa Butler to inspire a personal response from students
