Dear Parents/Carers,

Re: Face Coverings

In light of the latest Government update regarding the new Covid-19 variant (Omicron), I am writing to inform you that all our staff and students will be required to wear a face covering at all times throughout the school day. This will commence on Wednesday 01 Dec and will be reviewed after the Christmas holiday.

Please ensure your child arrives to school with a face covering from Wednesday. It is hoped that this measure helps to ensure that our students can continue to receive education in school whilst remaining healthy and able to meet friends and family safely over the Christmas period.

I am conscious that there are a small number of students who may be exempt from wearing a face covering for health reasons. If this is the case your child needs to collect an exemption form from school reception.

Finally, the government have asked schools to facilitate Covid-19 testing in January following our return after the Christmas holiday. This will mean that there will be a staggered return of students in January to allow for testing. We will share our plans as soon as they have been finalised.

Your sincerely,

Mr N Parker
Headteacher
