

BTEC Health & Social Care

Year 11 information

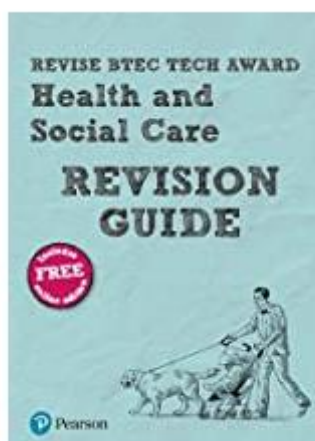

External exam: Friday 5th February 2021 - 8.45am (2 hours long)

This is the actual exam for BTEC, it is **not** a mock exam.

There is a revision guide available.

This is the Revise BTEC Tech Award Health and Social Care.

The best price is on Amazon and is currently £5.99.

This is highly recommended as it will help prepare you for the exam and it comes with a free online version.

Exam is based on Component 3 Health and Wellbeing

Covering the content and exam practice/mocks will be the focus from now until the exam in February.

Therefore students have not missed any content for this during lockdown.

Revision sessions in school

Health and Social care revision sessions will be on a Thursday after school.

Mrs Steeples will inform students when these sessions will start.

If you need more information please contact Mrs Steeples by email msteeples@hgsc.co.uk

Thank you
