

19th April 2021

Dear Parents/Carers,

Re: Y8 Online Parents evening

I am writing to you to inform you that due to the ongoing COVID 19 Pandemic, we have taken the decision to move Year 8 parents evening event online, to ensure that you get the opportunity to speak with your child's teachers.

The evening will take place on **Thursday 13th May 2021** from **4-6pm** using the "School Cloud App". This will involve you booking appointments with teachers electronically, and on the evening, will take the form of 5 minute video appointments with your child's teachers. Numerous devices can be used to access your school cloud account both before and during the evening, including Smartphones, Tablets, Laptops and Desktop computers.

In order to log into the school cloud app, you will need to use the following website:

<https://handsworth.schoolcloud.co.uk>

This will ask you to enter your details and your child's details.

On the following page you will find a guide to setting up appointments and on the Parent App, we have also loaded a video that explains how to log into your School Cloud account, set up appointments, and attend the evening.

All appointments can begin to be scheduled from **Wednesday 21st April at 8am** and appointment scheduling will **close on Thursday 13th May at 2.45pm**. Please ensure that all appointments are made before this time.

If you have any questions on the lead up to this date, please do not hesitate to contact:
