### News and Updates

#### Student Protests

Last week we had a number of Y8 and Y10 students gather to make a protest about the toilets following a trend on social media, this was supervised by a large number of staff. At the end of lunch some students refused to move, this then led to an unsafe situation. Following on from this we have put the following in place:

- Assemblies to all year groups about what a peaceful protest is and why the behaviour on Friday was unsafe.
- A lesson on peaceful protests for all students.
- A student voice to give the students space to share their views in a safe way.

We will be analysing CCTV to identify those students whose behaviour was not what we expected at Handsworth Grange.
