1. Introduction

- 1.1 Minerva Learning Trust recognises and welcomes the specific and general duties it has under the Equality Act 2010 in relation to the Public Sector Equality Duty (PSED).
- 1.2 The PSED requires the Trust, as a body carrying out public functions to have due regard to:
- Eliminating unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act
 - Fostering good relations between people who share a protected characteristic and those who do not
 - Advancing equality of opportunity between people who share a protected characteristic and those who do not

These are known as the general duties of the PSED.

- 1.3 Having due regard to the need to advance equality of opportunity is defined further in the Equality Act 2010 as the need to:
- Remove or minimise disadvantages
 - Take steps to meet different needs
 - Encourage participation when it is disproportionately low
- 1.4 There are two specific duties of the PSED intended to help schools within the Trust meet the general duty. They are:
- Publish information to demonstrate how the school is complying with the PSED. This information must include, in particular, information relating to people who share a protected characteristic
 - Prepare and publish equality objectives.
- 1.5 The Trust and its schools aims to promote pupils' spiritual, moral, social and cultural development with special emphasis on promoting equality and diversity, and eradicating prejudicial incidents for pupils and employees.
- 1.6 The Trust and Handsworth Grange Community Sports College are committed to not only eliminating discrimination but also increasing the understanding of and appreciation for diversity. This document sets out how Handsworth Grange Community Sports College is meeting the general duties of the PSED and publish the equality information and objectives for 2025/26.
- 1.7 This document should be read in conjunction with the Trust Equality Policy.

2. Protected Characteristics

- 2.1 Under the Equality Act 2010, certain groups of society will be protected, by way of a particular characteristic. These are known under the Act as protected characteristics. The Trust and the school have a statutory duty under the PSED to minimise or remove the disadvantages suffered by those with protected characteristics and to promote equality for all.
- 2.2 The protected characteristics under the Act are listed below:
- Age
 - Disability
 - Gender reassignment
 - Marriage and civil partnership
 - Pregnancy and maternity
 - Race
 - Religion or belief
 - Sex
 - Sexual orientation
- 2.3 The Trust and Handsworth Grange Community Sports College will not discriminate against, harass or victimise any employee, pupil, prospective pupil, or other member of the school community because of the above characteristics.

3. Eliminating unlawful discrimination, harassment, victimisation and other conduct

- 3.1 We believe that a greater level of success from pupils and employees can be achieved by realising the uniqueness of individuals. Creating an inclusive environment where individuals feel confident and at ease is a commitment of the school. This environment will be achieved by:
- Being respectful
 - Always treating all members of the school community fairly
 - Developing an understanding of diversity and inclusion and the benefits it can have
 - Adopting an inclusive attitude and ensuring that the whole school community understands what inclusive behaviour looks like in the school and how this aligns with the Trust's and School's values
 - Adopting an inclusive curriculum that is accessible to all
 - Encouraging compassion and open mindedness
 - Challenging bias and calling it out in order to move the conversation forward.

- 3.2 We are committed to having a balanced, diverse and fair curriculum. We believe that our pupils should be exposed to ideas and concepts that may challenge their understanding, to help ensure that pupils learn to become more accepting and inclusive of others. Challenging and controversial concepts will be delivered in a way that prevents discrimination and promotes inclusive attitudes.
- 3.3 The school seeks to eliminate unlawful discrimination, harassment, and victimisation through the framework of policies implemented across the Trust:
- Equality Policy
 - Supporting pupils with medical conditions policy
 - Staff code of conduct

 - Safeguarding and child protection policy

- 3.4 Training is provided to employees and those involved in governance through the Trust ROUTES programme and specific events linked to the school equality objectives.
- 3.5 The school monitors data in relation to protected characteristics and equality issues such as recruitment, pupil exclusions, pupil engagement in activities, incidents of bullying, harassment, victimisation and discrimination, safeguarding and complaints. Data is used to evaluate the effectiveness of policy, practice and provision to ensure unlawful discrimination is not taking place and to identify areas for improvement generally in the approach to equalities.
