Press Release – GCSE and BTEC Results 2021 Handsworth Grange Community Sports College

We are immensely proud of the GCSE and BTEC results our pupils have achieved. In this extremely challenging year they have shown great resilience and character, continuing to work hard no matter what the circumstances.

We would also like to congratulate our staff (both teaching and non-teaching) who have worked tirelessly, and with great integrity, in awarding fair and balanced grades that rightly reward the exceptional work our pupils have put into their studies.

We wish our pupils the very best as they move onto the next phase of their lives, be that in continued education or employment.

Mr B Wright
Assistant Headteacher

Mr N Parker
Headteacher
