Dear Parents/Carers

Over the last few weeks there have been several incidents at Ballifield Shops. Some of them have involved our school pupils but others have not.

You might be aware that police were called to an incident on Friday where there was an alleged assault by a member of the public. School staff ensured the safety of Handsworth Grange Community Sports College pupils by escorting them to the bus stops and crossing them over the road at the end of school.

As you know Handsworth Grange Road is becoming increasingly congested and often has speeding cars along it. Whilst we aim to support the local community we cannot supervise Ballifield Shops or the areas beyond it, therefore please stress to your child the need to leave school promptly and to go straight home.

Thank you for your support.

Yours sincerely

Mr N Parker
Headteacher
