

Dear Parent/Carer

As we approach the end of one of the most challenging terms in recent educational history, I would like to take this opportunity to thank you for your support and kind words of encouragement.

This has been, and continues to be, a difficult period for all of us but I am proud of how we have worked together to ensure that our children have returned to school safely and engaged with their learning.

Unfortunately, we have had to ask some parents to keep their children at home for a period of time, as a precaution against confirmed cases within the school community.

Again, I would like to thank those parents for their patience, understanding and supportive words as we have worked through this process together. I must admit, asking pupils to go home to self-isolate is one of the toughest things I have had to endure as a school leader – it goes completely against the grain. However, this is, and will continue to be, the norm for the near future as the number of cases continue to rise.

ParentsApp

Please remember to sign up to the Parents App if you haven't done so already as this will become the main method of communication between home and school. Further details can be found on our website.

Extra-curricular activities

I am delighted to announce the resumption of some after school clubs and activities. Drama, Music and Sports clubs will be available for your child to take part in after half term. We have worked hard to ensure our offer is safe and manageable and all clubs will be in year group bubbles and on separate evenings. Please see the attached information sheet regarding which clubs are available on each night.

Thank you once again for your continued support and please do not hesitate to contact us if you need any support.

Yours sincerely

Nick Parker
Headteacher
