Yellow highlight denotes current KS3 themes within the English curriculum to ensure a blend across Key Stage texts and themes to meet student need, and support the development of Literacy skills to accelerate progress and allow delivery of lessons pitched at stage not age.

“Teachers should build on the knowledge and skills that pupils have been taught at key stage 2. Decisions about progression should be based on the security of pupils’ linguistic knowledge, skills and understanding and their readiness to progress to the next stage. Pupils whose linguistic development is more advanced should be challenged through being offered opportunities for increased breadth and depth in reading and writing. **Those who are less fluent should consolidate their knowledge, understanding and skills, including through additional practice.”**
