## Our Mission:

Exceptional education for every student, every day

## Our Vision:

Our vision is focussed on learner outcomes, with an exceptional education we trust that every student will:

- have the resilience, independence, determination and tools required to tackle obstacles.
- acknowledge and celebrate their successes and the successes of others.
- have high expectations of themselves and endeavour to meet these every day.

**Be "Successful"**

- behave in a sensible and considerate manner.
- move round school in a calm and safe way, ensuring everyone feels comfortable in school.
- show respect to each other and feel valued and protected in school.

**Be "Safe"**

- communicate with one another showing tolerance and understanding to the views of others.
- talk and engage with others in a kind and thoughtful way.
- celebrate other cultures and traditions.

**Be "Sociable"**

## Our Values:

Our values underpin all the work that we do and the decisions that we make:

**Be "Brave"**

**Be "Kind"**

**Be "Present"**
