Dear Parents and Carers

Re: Stationery Shop

I hope you are and your family are well. As a school, we are committed to ensuring all our students are fully prepared and ready to learn each day. Recently, we have noticed a considerable number of students arriving to lessons without the basic equipment they need, such as pens, pencils, and other essential stationery.

To support our students and remove any barriers to learning and be ready to learn each day, we are pleased to announce the launch of a Student Stationery Shop, which will run every morning from 8:15am to 8:40am. The Student Stationery Shop will be open after Easter and all students will have access to this.

At the shop, students will be able to purchase essential equipment at significantly reduced prices, including:

- Black pens – £0.10
- Pencils – £0.10
- Rulers – £0.10
- Erasers – £0.05
- Pencil case with contents – £1.80

We want to reassure you that the school will not be making any profit from this initiative. Students will pay only the cost price of each item. Our aim is simply to ensure every student has the tools they need to start the school day confidently, responsibly, and ready to learn.

We hope this new service will make it easier for students to be organised, well-equipped and fully prepared for their lessons.

Thank you, as always, for your support.

Yours sincerely
